### Brushes:

#2 ROUND

20/0 SCRIPT

1/4" ANGLE

#4 WAVE FILBERT (if you have one) or #2 and #4 STIPPLE BRUSH

Note: The #4 Wave Filbert is used to "stipple" this design in certain areas.

We can get the same affect using a stipple brush gently where needed.

This adds texture to the design. Bring any other brushes you might be comfortable using.
