

Directions to Shilo Inn

Salem Oregon

If you are arriving via Interstate 5, the exit off of Interstate 5 is number 256. If coming from the north, turn right, if from the south, curve left under the freeway. It's only about a block and a half from the intersection lights on the left side of the street. The driveway is a bit tricky to see. Look for the Almost Home restaurant. The driveway for the Shilo is the same driveway as the restaurant. Drive all the way back to the Shilo and park ONLY in their parking spots. Do NOT park in the restaurant parking. The meeting is on the second floor of the Shilo to the right of the elevator.
